Welcome To Chifeng University

Chifeng University 赤峰学院 is a public university formed by the combination of Chifeng Normal College of Nationalities and other four academies. It was approved by the Ministry of Education of the People's Republic of China in 2003. It is in the city of Chifeng, the birthplace of the Hong Shancultures. (The city has scenic spots and is a tourist destination.) The university has 24 colleges or departments

The Zhaowuda Union Health School founded in 1958 is the predecessor of the Chifeng University Medical College (CUMC). In July 1962 it changed its name to Inner Mongolia Chifeng Health Schools. In 1966 the school moved to new premises. After half a century of development and training thousands of graduates in April 2003 the school merged with Chifeng University and become CUMC.

The medical college has 1793 undergraduate and junior college students. It has 642 professional and technical people, 139 full-time teachers including 104 undergraduate degree, 17 master's degree, 1 doctor, and 2 PhD, and 9 part-time professors.

Facilities

Classrooms

In the university, many modern teaching and research facilities have been set up, such as the experiment center, the computer center, the multimedia classrooms, the aural-oral labs and the computer network.

Laboratory

Medical laboratory building construction area is 16,087 square meters including 49 laboratories. These laboratories are four time funded by the Hong Kong Chinese Foundation and WHO.

Dorms

There are separate dorms for boys and girls. The dorms provided by the university to international students are two or four person-rooms with an attached bathroom, bed, furniture, free hot drinking water, heater, internet access, and public laundry.

International co-operation

The university insists in running the school in an open manner, enhancing the communication and the cooperation with outside, setting up the favorable cooperating relationship with the related institutions of other countries.
